## Paryushan Celebrations

**Monday 26 August 2019 – Monday 2 September 2019** શ્રાવણ વદ ૧૧ - ભાદરવા સુદ ૪

The Jain Centre development works will commence as soon as our temporary accommodation is ready for occupation, which we hope to be able to move to very soon. So, we will be celebrating our last Paryushan Parwa in the current building in Colindale. Please join us for spiritual aradhna, lectures and bhavna everyday. This year we are fortunate that Paryushan falls during the school holidays, so why not bring your children too? Everyone is welcome - we will be concentrating on maximum spiritual development during this auspicious period. Jain Centre can provide facilities to have Sthanakvasi Pratikraman and celebrations of Dasalaxan Paryushan from 3<sup>rd</sup> – 12<sup>th</sup> September. For further information please contact Jain Centre office.
